

# Anatomy

## Honey Bee

1) Needle onto both ends of a 2ft piece of thread

2) Add 2 - 11/o Demi Rounds (Bronze)

3) Add 1 - 6mm Round (Onyx) - Both Needles

4) Add 1 long dagger to each needle

5) Add 1 - 10mm Rounds (Bronze/Stripe) - both needles

6) Go through the 6/0 Demi Round (Bronze) with each needle from opposite directions. Criss crossing threads and pull to bring in all the beads.

6) reverse direction and needle back through the large bronze striped (body) bead, exiting just before the daggers. Criss-cross threads above then below the beadwork and tie a double knot (like a tennis shoe) Needle through each of the daggers with corresponding needle on that side, exiting just before the black (head) bead. Criss cross threads again (top then bottom) and tie a double knot. Keep remaining threads to attach to other beadwork.
